

BAGGO TOURNAMENT SPONSORSHIP

The Huntington's Disease Society of America (HDSA) invites your company to become a local sponsor for the 2nd Annual Illinois Chapter Baggo Tournament being held on Saturday, September 8, 2018, in Rolling Meadows, Illinois. Events such as this are a way to show how local communities of inspired individuals can join together to make a difference.

Huntington's disease (HD) is a fatal genetic disorder that causes the progressive breakdown of nerve cells in the brain. It deteriorates a person's physical and mental abilities during their prime working years and has no cure. HD is known as the quintessential family disease because every child of a parent with HD has a 50/50 chance of carrying the faulty gene. Today, there are approximately 30,000 symptomatic Americans and more than 200,000 at-risk of inheriting the disease. Many describe the symptoms of HD as having ALS, Parkinson's and Alzheimer's – simultaneously.

A local sponsorship of the Illinois Baggo Tournament for **\$250.00 or more** is an excellent opportunity for your company to support a great cause and to take advantage of a wonderful marketing opportunity. As a local sponsor, your company will be increasing your brand recognition and visibility, demonstrating your commitment to the local community your employees and customers live and work in.

Proceeds from the Baggo Tournament support the mission and programs of HDSA, the largest voluntary health agency dedicated to finding a cure and providing assistance to those individuals living daily with HD. **Any donation at or above \$250** will qualify your company's logo to be placed on sponsor signage at the tournament and will include one team as well as food and beverages for the team.

YOUR DONATION IS 100% TAX DEDUCTIBLE!
